

Restoranto

Revolutionizing Restaurant Operations

How does this **work**?

O1.

A guest can simply scan a QR code or NFC tag located on their table.

O2.

Explore the menu through Restoranto and proceed to place an order.

O3.

After placing their order, guests can conveniently pay the bill, text a waiter, and leave a tip.

O4.

Finally, provide feedback by leaving a review.

Why **Restoranto** is the best solution for your business:

Reduce staff
costs by
